SPRING CLEAN-UP CHECK LIST

- KEEP YOUR RECORDS STRAIGHT

It is important to maintain your emergency call lists. If someone has moved or changed their phone number please call us to replace or remove their number so we can keep accurate records in the event of an emergency.

- CLEAN YOUR SMOKE DETECTORS

Power Alarm urges you to clean and maintain your smoke detectors every year. Dust and dirt build up can cause false readings on smokes and can also block them from recognizing a real emergency. They should be replaced every 5 years along with CO detectors.

- TEST YOUR ALARM SYSTEM.

Step 1 -Call our Central Station at (216) 383-0300 to put your system on test (Have your account number or password ready)

Step 2-Arm your system, trigger an alarm to go off. When you hear the siren, you may disarm your alarm system.

Step 3-Call us at (216) 383-0300 to make sure we received your alarm signal. If the signal is not received call Power Alarm at (216) 289-5600 for further assistance.

- SMART HOME SOLUTIONS

Maybe it's time get up to date with newer technology and convenience on the go. Power Alarm offers Smart Home automation for homes and business. See if your system is compatible by calling (216) 289-5600.

THE ORIGIN OF CINCO DE MAYO

Cinco de Mayo—or the fifth of May—is a holiday commemorating the date of the Mexican army's 1862 victory over France at the Battle of Puebla during the Franco-Mexican War (1861-1867). A relatively minor holiday in Mexico, in the United States Cinco de Mayo has evolved into a celebration of Mexican culture and heritage, particularly in areas with large Mexican-American populations.
